

## Medical Diagnostic Form for Athletes with a Physical Impairment

To be eligible for Para-cycling an Athlete must have an underlying medical diagnosis (Health Condition) that results in a Permanent and Eligible Impairment (Article 16.4.008 of the UCI Classification Rules and Regulations). The measurement of impairment conducted during the classification process must correspond to the diagnosis indicated below.

Completed forms and relevant Medical Diagnostic Information must be submitted Completed forms and relevant Medical Diagnostic Information must be uploaded to the athlete's PCSAS profile upon registration of the athlete to the PCSAS no later than four (4) weeks prior to the Competition where the Athlete plans to undergo Classification. The form and the attached medical documentation may not be older than 12 months at the time of the Athlete Evaluation. The UCI holds the right to request further information, if additional information is required. The athlete will not be able to undergo Classification, until the requested information is provided.

The Athlete acknowledges and agrees that the UCI collects and processes some of his/her personal data for the purposes of and to the extent necessary in relation to the present Medical Diagnostics Form and to facilitate the Athlete's participation in UCI competitions. This personal data collected and processed include but are not limited to the Athlete's last name, first name, gender, date of birth, UCI ID, affiliated National Federation and medical information such as described below (Personal Data).

The Athlete acknowledges and agrees that the UCI may share his/her Personal Data with his/her NPC, his/her NF, UCI classifiers, the UCI Medical Director and/or the UCI Medical Commission.

Finally, the Athlete understands that he/she has a right to access and correct the Personal Data that the UCI holds about him/her under data protection law by contacting the UCI (data.protection@uci.ch). The Athlete may withdraw his/her agreement to the UCI processing and storing his/her Personal Data at any time. The withdrawal of the Athlete's agreement to the processing and storing of his/her Personal Data may result in him/her being ineligible to participate in the sport of para-cycling. These terms must be acknowledged and signed by or on behalf of the Athlete at the bottom of this document.
